GP visit cards

If you have a GP visit card, you don't have to pay to see your doctor. You will have to pay for medicines and other services.

If you have a medical card, you don't need a GP visit card.

General GP visit card

Anyone age 8 to 69 can apply for a GP visit card.

Check the status of a registration

You can use your reference number to check the status of your GP visit card registration online.

When you apply online, you get a reference number at the end of the application process.

When you apply by post and give a mobile number, we send a reference number by text. If you don't give a mobile number, we send a reference number by post.

Enter your application form in the field where it says 'Track your application'.
